SCALING WITH INTENTION

BUILDING SUSTAINABLE OPERATIONS IN HEALTH & BEAUTY

As health & beauty eCommerce continues to evolve, operations leaders are balancing rapid scale with mindful production, ingredient integrity, and a low-waste mindset. In this session, industry experts will share how brands are meeting rising customer expectations through 3PL partnerships, localized fulfillment strategies like micro-warehousing, intentional approaches to sustainability, and more. Learn how innovative brands are rethinking logistics to reduce waste, improve inventory efficiency, and build resilient, scalable operations.

Moderator:

THE POWER OF MARKETING AND EDUCATION IN HEALTH & BEAUTY

In the competitive world of health and beauty, education plays a pivotal role in shaping consumer trust and loyalty. Join industry leaders as they explore the unique challenges of educating customers on the right products for their individual needs—from skincare and haircare to makeup and wellness. Learn how brands are leveraging personalization tools, quizzes, and targeted marketing to help consumers make informed decisions. Discover the strategies used to communicate product benefits, establish credibility, and foster long-term customer relationships. Gain insights on how educating your customers not only empowers them but also drives brand loyalty and growth.
